Now, just a few more questions on this topic...

Now I'd like to read you two viewpoints. Please tell me which one comes closest to your own.

(READ & ROTATE ALTERNATIVES)

43. Some people say/ Other people say that the primary cause of the current ethical scandals facing Congress is that it is too easy to break the existing rules. What is needed are reforms, tougher enforcement of existing rules, and transparency to make it much easier for the public and the media to see when existing rules are being broken.

Other people say/ Some people say that the primary cause of the current ethical scandals facing Congress is the current culture of Washington which affects all Members of Congress sooner or later. We need to change Congress with new Members who pledge to change this culture and operate with new rules.
